# Ex-Labour minister dead at 79

FRANK Dobson, who was Tony Blair's first health secretary after the landslide Labour victory in 1997, has died at the age of 79.

The Yorkshire-born politician resigned from the House of Commons four years ago, having served as Holborn and St Pancras MP for 36 years.

He was replaced by Sir Keir Starmer, now the shadow Brexit secretary.

The former leader of Camden Council (above) was Labour's candidate at the mayoral election in 2000, having been persuaded to go for the newly-created job by Mr Blair.

Mr Dobson came third, losing out to then-Independent Ken Livingstone.

He entered the Commons the same year Margaret Thatcher became prime minister.

# HS2 'green light' despite the cost

A DRAFT copy of a review into the HS2 high-speed railway linking London and the North of England says it should be built, despite its rising cost.

The government-commissioned review, launched in August, will not be published until after the election.

It says the project might cost even more than its current price of £88 billion.

The draft recommends that HS2 should be built with only relatively minor alterations.

These include reducing the number of trains per hour from 18 to 14, in line with other high-speed networks around the world.

## 'Cyber attack' claim is just bollocks, say tech experts

HACKED OFF?... John McDonnell confides in Corbyn

**LABOUR'S** claims that its computer systems were hacked by foreign spies in a "large scale" and "sophisticated" cyber-attack were last night exposed as BOLLOCKS!

Reports emerged yesterday that the party's website had crashed and excitable left-wingers immediately blamed Russian spies or other foreign government agencies.

Labour leader Jeremy Corbyn said the cyber-attack was "very serious" and also "suspicious" because it took place during an election campaign.

"If this is a sign of things to come, I feel very nervous about it," he said.

But tech boffins who looked at the incident say it is a standard 'denial of service' attack, of a sort that assault every website at every hour of the day.

NO EVIDENCE: Putin

**Denial**

What's more, there is NO evidence that Vladimir Putin or any other foreign power is involved.

Labour reported the matter to the National Cyber Security Centre, but tech police there did not need to take any action.

Neil Rowney, of IT analysts Red Mosquito, said: "Unfortunately, denial of service attacks are very common."

"It is also true to say that they are neither difficult to orchestrate or very sophisticated in nature."

"The means to accomplish a fairly comprehensive and successful attack designed to bring down a website or a mail system is easily sourced on the dark web."

It has been suggested that Labour's website may have simply crashed because it was TOO BUSY to cope.

But some Labour activists are convinced that Russia is interfering in British politics.

VIVE BARE BOOBS! Activist confronts protesters

# Babe with rock hard nips faces down protest...

# STIFF RESISTANCE!

**SAY** what you like about women's rights group FEMEN - they certainly have balls!

And this lady didn't just brave angry Muslims when she carried her message in the centre of Paris - she also endured freezing temperatures which made her nips stick out like chapel hat pegs.

Topless members of FEMEN gatecrashed the anti-Islamophobia protest in the French capital as hundreds took to the streets to demonstrate in the wake of an attack on a mosque in Bayonne last month.

While demonstrators were gathering and preparing to march, FEMEN activists suddenly burst onto the scene, baring their breasts.

Some carried placards declaring that blasphemy is a human right in the French Republic.

Members of the protest quickly rushed over and surrounded the topless women, blocking them from view using coats and umbrellas despite photographers' best efforts to capture the moment.

# 'DEPRAVED' SEX ATTACKS OF ACCUSED RAPIST

AN alleged serial rapist embarked on a series of "shocking and depraved" sex attacks on women and children, a court heard.

Joseph McCann, 34, is accused of 37 charges including multiple rapes, kidnap and false imprisonment involving 11 victims, one as young as 11 years, over three days in April and May.

Opening his Old Bailey trial, John Price QC told how one of the alleged victims, a 25-year-old woman, was snatched as she walked home in Walthamstow, east London, just after midnight on April 25.

Mr Price told jurors: "He told her to stop screaming or he would stab her."

"He dragged her to a nearby car, pushed her inside and drove off."

The prosecutor said the woman was raped "many times" over the next 14 hours and subjected to acts of "shocking depravity and violence".

McCann allegedly abducted a 21-year-old woman in Edgware, north London, while he still had his first alleged victim.

The women escaped in Watford after one hit McCann (left) over the head with a vodka bottle, jurors heard.

Not guilty pleas have been entered on all the charges.

By GRACE HOOPER  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**AN X-rated version of Channel 4's *The Great British Bake Off* – starring 'Mary Cherry' and 'Paul Hardywood' – has sparked fury at the right-on broadcaster.**

The sexual parody of the show – named 'The Great British Bonk Off' – features Mary groping a female baker as she whisks eggs, while Paul is beneath a competitor's apron during the famous 'showstopper' finale.

It stars Rebecca More as Mary Cherry and Ben Dover as Paul Hardywood.

Bake Off broadcaster Channel 4 stormed: "These films have not been made with our prior knowledge or approval."

Amazingly, the Bonk Off is protected by LAW, meaning C4 can't call a halt to the spoof.

## Graphic

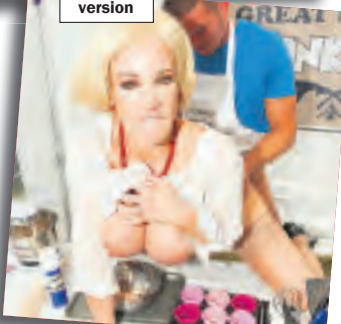

A 2014 amendment to the Copyright, Designs and Patents Act 1998 means the law protects those who reuse copyrighted material.

The see-it-going-in spoof is available on Zaucey, a £16.99-a-month subscription service for 'British-made adult entertainment' that features 'real but not graphic depictions of sexual relations between adults'.

Zaucey also features Television X parodies of BBC hit series *The Bodyguard*, Channel 4's *Googlebox* and hit ITV show *I'm a Celebrity... Get Me Out of Here!*

## MEL B TELLS TESCO: STOP RIGHT NOW

A TESCO advert that used an image of Mel B has been taken down after the pop star complained.

Scary Spice's image was used in an ad for Tesco's new Clubcard Plus.

It read: "Stop right now. You get 10% off two big shops a month for £7.99," in a play on the Spice Girl hit single *Stop*.

Mel B (right) used her Instagram account to ask Tesco's CEO to contact her "urgently".

A Tesco spokesman said: "Here at Tesco we are really big fans of Mel B and were excited to feature her photo in our campaign. We had authorisation to use it, but we're sorry Mel B is unhappy – so we've stopped using it."

Strictly Katya:  
Trolls made it

KATYA Jones has admitted there were “hard days” during this year’s series of *Strictly Come Dancing* – thanks to internet trolls.

The Russian professional dancer, 30, split from her husband and co-star Neil Jones, 37, earlier this year after six years of marriage.

On Sunday night, she and celebrity partner Mike Bushell, 53, were axed from the show after the BBC sports presenter failed to deliver during a dance-off against Michelle Visage and Giovanni Pernice.

Jones (*above*) applauded Bushell’s resolve, after he ended up in the bottom two for the third week running.

Speaking on *BBC Breakfast*, she said: “There has been in the beginning quite a few... there were hard days, wasn’t it?”

“Just people saying things. So I just deleted the Twitter and that was brilliant after that.

“When it’s not in front of you it doesn’t exist, so I just got rid of it.”

The 27-year-old babe has been sending many pulses racing recently, as she’s also fronting posh panty shop Agent Provocateur’s Christmas campaign.

Experts urge ban  
on ‘dangerous,  
addictive’ e-cigs

ACTION must be taken to prevent an entire generation becoming addicted to nicotine, cardiologists have warned as they published new research suggesting vaping could damage the brain, heart, blood vessels and lungs.

Experts said young people must not be allowed to get hooked on e-cigarettes, as vaping rates continue to rise.

The warning comes after 19-year-old Ewan Fisher, from Nottingham, told how he almost died from serious respiratory failure after vaping.

Lead researcher of the new study, Professor Thomas Munzel, from the University Medical Centre in Mainz, Germany, said e-cigarettes are so dangerous, as well as addictive, that countries should consider banning them.

Nadine ban on sexy shower scenes (like these...)

By JAYNE FERGUSON [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**FROTHING I’m A Celebrity** fans are furious after it emerged that this year’s hottest contestant has had it written into her contract that she **WON’T** be shown showering in her bikini.

Nadine Coyle is used to performing in skimpy outfits during her time as a singer with the girlband Girls Aloud.

But sources say she is not happy at the idea of people gawping at her boobs while she’s in the waterfall shower.

So insiders reckon she has insisted on a clause preventing ITV bosses showing her in the shower.

**Skimpy**

Hot babes showering in bikinis is a mainstay of the jungle reality show – with stars like Mylene Klass, Katie Price and Helen Flanagan being regularly featured in skimpy bikinis.

But Nadine won’t be added to that list. A source said: “She is a singer, not a sex object, and doesn’t want anyone ogling her big boobs.”

“So instead, fans will now hope mega-knocked Kate Garraway does the business.”

“Or Caitlyn Jenner if things get really desperate.”

## Simon group show blow to Little Mix

SIMON Cowell has denied holding a grudge against Little Mix, after announcing the launch of a new talent show to rival theirs.

The music mogul, 60 (above), axed a proposed *X Factor: All Stars* series – set to premiere next month and feature previous winners including Leona Lewis.

Instead, he will launch *X Factor: The Band* to find all-male and all-female groups, to rival *The Search* – a talent show set to be fronted by Little Mix on BBC1 next year.

Simon said: "We had agreed with ITV we were going to do the *X Factor* groups in 2020, then the all-stars version this year.

"Then when we found out the Little Mix show was going out in 2020. I didn't want to follow their show as we had planned it years ago.

"I thought, well, we'll just bring it forward.

"It wasn't like some grudge against Little Mix, because I owe those girls a lot.

"Their idea was great but sometimes you want to be the first one to do it."

## Christmas songs banned to keep shop staff happy

A SHOP has banned the playing of some Christmas songs in a bid to help keep their staff happy.

Mariah Carey's *All I Want For Christmas Is You* and Slade's *Merry Xmas Everybody* won't be played at York Gin, as having to endure them for hours each day would ruin Christmas for shop-floor employees, bosses say.

Emma Godivala said the move would also be welcomed by shoppers tired of constant festive playlists on the high street from mid-November.

She said: "We do love Christmas, but we want our gin shop to be a cheese-free zone. We've tested lots of songs to see which sound OK, and which sound weird. And there's a cut-off in the 1960s. Anything after that has been banned.

"Our lovely team are happy with the decision."

# PHOTOGRAPHER TRICKED PORN MODELS INTO SEX – COURT TOLD

DENIAL: Paul Brown

**A PORN photographer accused of rape told a would-be adult model: "It's pretty much in now and I will be quick."**

Paul Brown filmed the scene and images were shown to the jury during his trial.

Prosecutor David Sapiecha said the victim wanted to be a model, adding that Brown told her he would "get his dick out but not touch her" but then said: "I really want to f\*\*k you so bad."

The woman kept quiet at this point, but the jury saw the images with Brown saying: "It's pretty much in now and I will be quick."

Mr Sapiecha said it was an important phrase Brown used as he penetrated her and that he had no consent at all.

But when quizzed by police he said he had not penetrated the woman and that it was the "light that made it look like that".

Mr Sapiecha showed the intimate photos to the jury and said Brown's explanation was "clutching at straws".

By NICK IRVING

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Earlier in the trial at Exeter Crown Court, the jury heard Brown invented a bogus modelling agency when he claimed to be working for when he contacted women on social media and told them they could earn thousands of pounds.

He allegedly deceived them into having sex with him as he filmed the encounters by telling them they were casting auditions for an agency called Model South West.

### Sordid

Exeter Crown Court was told the agency did not exist and had been invented by Brown as a part of his "sleazy and sordid" scheme to have sex with women.

Brown, who used the name Paul Smart, is also accused of filming naked women secretly at his studio in Okehampton and sexually assaulting other women.

He allegedly told women that they would make more money out of

modelling if they agreed to do adult material, ending with him saying they needed to have sex on camera to earn money.

He claimed the women would be working with a male model but then said they had failed to turn up and said he had to take their place, while filming at the same time, the jury were told.

A total of 15 women are due to give evidence of how they were treated during photo shoots during a trial which is expected to last six weeks.

Brown, aged 41, of Okehampton, denies a total of 18 rapes against seven women, four of sexual assault, and six of voyeurism.

He is accused of raping two women four times, one woman three times, three women twice, and one woman on a single occasion.

Once at Brown's studio on an industrial unit, Brown offered the alleged victims a range of options, including nude modelling, solo adult shots, or a full sex shoot.

Mr Sapiecha added: "We do not suggest there was any violence. We say he used deceit and deception.

"There was another side to the defendant and that he was a sexual predator. He has used his work to satisfy his own sexual needs.

"He would discuss what would happen at shoots, ranging from clothed, in underwear, to artistic nude, to solo adult work, up to sex with a partner.

"We say his intention was always to get them to agree to that.

"In reality, they were there for him to have sex with. That was his purpose. He took pictures to keep up the charade and potentially to enjoy looking at later.

### Gratification

"He claimed the more they were willing to do, the greater their potential and the more money they would make. He told them they could make thousands of pounds from sex scenes. Fundamentally, his motive was his own sexual desire and gratification.

"They did not consent because he intentionally deceived them."

The trial continues.

STORE: Primark in Kingston-upon-Thames

A SECURITY guard at a Primark store has been convicted of sexually assaulting four teenage girls who had been caught shoplifting.

Zia Uddin, 27, who was employed by Brooknight Security to work at Primark in Kingston upon Thames, south-west London, forced the 15-year-old girls to perform sex acts in return for not telling their parents.

He attacked them in the control room of the high street store, threatening to call the police if they did not comply with his demands.

Uddin was found guilty of rape and four counts of causing or inciting a child to engage in sexual activity

# PRIMARK SECURITY GUARD FORCED TEEN SHOPLIFTERS INTO SEX

following a trial at Kingston Crown Court.

Work colleagues noticed that Uddin, who kept condoms in the control room, had not completed shoplifting paperwork properly and had asked for CCTV to be deleted.

### Vulnerable

Graham Partridge, from the Crown Prosecution Service, said: "Zia Uddin preyed on young girls in a vulnerable situation.

"He abused his authority by telling them to perform sexual acts for him on the promise they would then be released without their parents, or the police, being informed about what they had done.

"Having worked in security, Uddin was also well aware of the CCTV camera 'blind spots' and took advantage of these in order to carry out his offending.

"The prosecution case was

able to rely on strong witness testimony from the victims, who were able to give evidence via pre-recorded video after the CPS applied for special measures.

"Telephone evidence also showed that Uddin had made a number of personal phone calls to other girls accused of shoplifting after acquiring their phone numbers through the incidents.

### Liars

"During the trial Uddin claimed all the victims were liars and refused to take responsibility for his actions.

"He has now been held accountable for his actions."

A spokeswoman for

Primark said Uddin had abused the trust placed in him by the company and the security firm he worked for.

They added: "This has been an horrendous ordeal for the victims and their families and we are truly sorry for what they have suffered.

"Our thoughts are very much with them.

"The nature of these offences is shocking and distressing.

"Zia Uddin abused the trust that was placed in him by his employer, Brooknight Security, and by us, by taking advantage of his victims, who were young and vulnerable."

Uddin will be sentenced on November 19.

## Poirot: My sex death scene hell

**POIROT** actor David Suchet says his most embarrassing scene was having his throat "cut" while shagging.

The 73-year-old (above) was shooting the 1984 film adaptation of *The Little Drummer Girl* where he played a character who had his throat cut from behind while making love.

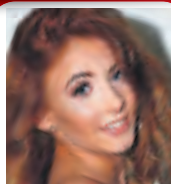

He said: "I remember talking to the director about it. 'I'm not happy doing sex scenes,' I said. 'I get embarrassed!'"

But the director reassured him that the woman would be wearing a bathing costume and Suchet would be in swimming trunks, or his undies, and only his back would be seen naked.

David added: "So, for the only time in my life, I got into the bed."

"There I was, on top of this girl, and when we heard the word, 'Action!' well... let me put it this way, she was going for an Oscar!"

# PERV OAP W\*\*KED OFF AT THE DEEP END

CAUGHT IN ACT: Harrison

**A PENSIONER had a "moment of madness" and furiously masturbated in a public swimming pool.**

Clive Harrison, 68, was in the deep end when a female swimmer caught him in the act.

Prosecutor Christy Woods told North Staffordshire Justice Centre: "A female swimmer entered the pool and began to swim. She went down to the deep end.

"She described seeing the defendant there. She could see his shorts were pulled down and he was masturbating.

"She asked him to stop. He said sorry.

"She alerted the lifeguard. The defendant exited the pool shortly afterwards.

## Shame

"He was interviewed by police and accepted he had committed the act.

"He accepted the act had been for sexual gratification but could not give a reason why he did it."

Retired engineer Harrison, of Penkull, Staffs, pleaded guilty to committing an act outraging public decency.

He told a probation officer he had not been

back to the swimming pool at Jubilee2 in Newcastle-under-Lyme, Staffs, since the June incident.

Mike Kimberley, mitigating, said: "He hangs his head in shame. He can't explain why it happened.

"This incident was a one-off, a moment of madness, and he bitterly regrets his actions. He shows genuine remorse."

Harrison was handed a two-year community order and ordered to pay £185 court costs and an £85 victim surcharge.

He must undergo a number of rehabilitation requirements and also complete 150 hours' unpaid work.

## Bercow set to release candid book

FORMER Commons Speaker John Bercow is set to publish his "grippingly candid" memoirs.

The book will chart his journey from boyhood to Parliament and include his take on his decade in the chair.

Titled *Unspeakable*, it also promises to reveal his views on Prime Minister Boris Johnson and former occupants of No.10 including Theresa May, David Cameron and Tony Blair.

Bercow (*above*) said: "I made friends and enemies alike, but from start to finish I sought to do the right – rather than the convenient – thing and to be a decent public servant.

"The story of a rewarding and fortunate career is told in my own words, and readers can make their own assessment of a journey that I enjoyed and they will judge."

Bercow, 56, entered Parliament in 1997 as MP for Buckingham and held many shadow ministerial positions before taking the Speaker's chair in 2009.

The 24-year-old beauty, who plays Bethany Platt in the ITV soap, posted a lovely picture of herself in a bikini on her Instagram page.

Her 462,000 followers were delighted with the snap, with many praising her toned body and choice of bikini.

In their droves they posted messages about what they would like to do to her.

**S**TUNNING Cara Rose is pure sex in her specs!

But sadly, you won't get to see much of her in Blighty these days because she has been lured over the Atlantic – where the Yanks are lapping up her 32G charms.

She said: "I do most of my work in the States. I'm based in California and it's brilliant.

"LA is just amazing – even though a few people there have a problem understanding my Birmingham accent!

"I know it sounds odd because it's cold and rainy in Britain right now, but I really miss the weather!

"Here it is ALWAYS hot and sunny and that can get monotonous.

"I like it when you never know if it's going to rain or not and getting caught on Broad Street in town in the middle of a downpour and having to go to a bar to keep dry – and have a few drinks.

"Still, it does mean that here in California, you can have outdoor sex just about any day of the year!"

# KILLER FORCED BOY TO HAVE SEX WITH HIS OWN MUM

**SICKO:** Gilligan sexually abused and tortured wife and stepson

**A TWISTED husband made his wife have sex with her 13-year-old son while he watched.**

Jerry Gilligan, 72, was convicted of torturing and kidnapping his spouse and stepson after jurors heard how he also sexually abused the boy.

The jurors watched a recording of the mother and son having sex with each other and being forced to perform sex acts on Gilligan.

Gilligan was found guilty of 10 of the 18 charges he faced over the September 2016 incident.

## **Battering**

It began when his wife, then 39, found him molesting the boy in a backyard shed.

Gilligan bound the woman with rope, chains and duct tape, before battering both with a Taser, knife and wooden rod.

Gilligan had previously killed his stepdad Walter Bopp in Tucson,

Arizona, in 1980 and tortured his wife and son within months of being released from jail for that murder.

He also shaved all his victims' hair off and poured battery acid into his wife's eyes.

His victims were taken to hospital three days after their ordeal began, with the woman raising the alarm and telling police what had happened to her.

A defence lawyer tried to paint Gilligan's wife as a "gold digger" who could not be trusted.

But Gilligan, of Kingman, Arizona, was convicted of kidnapping, torture and sexual contact with a minor.

Gilligan, who is wheelchair-bound due to ill-health, will be sentenced at Mohave County Superior Court on December 5.

Judge Billy Sipe has warned that he is likely to be jailed for life.

# TEACHER'S ONE-NIGHT STAND WITH LAD, 16

A TEACHER has been charged with having sex with her 16-year-old male pupil.

Olivia Huerta, 23, faces a charge of improper relationship with a student and sexual assault of a child between the ages of 14 and 16.

She took over as the fill-in social science teacher between January and April last year.

During that time, police claim Huerta (*right*) brought the teenage student to her own parents' house to have the one-night stand.

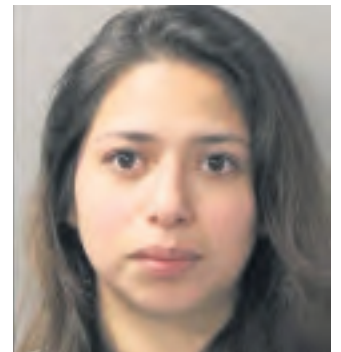

## **Curvy**

A tip led detectives to an arrest earlier this year, after the student told his friend about the sexual encounter.

The friend contacted police, who began an investigation.

When cops spoke to the victim, he told them that he walked with the teacher to have sex at her parents' house.

He also revealed that they exchanged phone numbers and had conversations via text and Snapchat.

While not recalling the teacher's name at Sam Rayburn High School in Pasadena, Texas, the student allegedly described to police that she was "short, curvy and Hispanic".

A police source said: "It's nailed on. She's a bad 'un."

## Uber driver jailed over cab attack

AN Uber driver who groped an "utterly defenceless" passenger as she leaned out of his taxi door to throw up has been jailed.

Temur Shah, 45 (above), picked the 27-year-old woman up from the West End in January last year.

His passenger said she felt unwell during the journey, so Shah had stopped the car, asking her to move into the front seat.

When she told him she was about to be sick he stopped again, then leaned over to open the door and put his hand under her bra.

He then continued the assault, touching her genital area over her clothes, while she was sick in the gutter.

Afterwards she told Shah not to touch her, but was forced to stay inside the vehicle as she had no money or battery life on her phone to call for help.

She reported the incident to police after she was dropped off near her home.

At Isleworth Crown Court, Shah, of Harrow, was found guilty of sexual assault and jailed for 16 months.

A MOTHER died after she was strangled by her **FOOD PROCESSOR** when her scarf got caught in it while she made a **CAKE**.

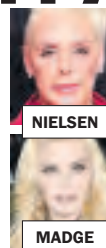

The unnamed woman was at her home in the La Metare district of the city Saint-Etienne, in eastern central France.

She died on Sunday morning when the scarf wearing got entangled in a food mixer while she was making a cake with her teenage son.

The "panicked" teen called emergency services and was told to unplug the device and cut his mum's scarf.

Police officers later quizzed the 15-year-old lad on what happened.

A post-mortem will be carried out in order to confirm the precise cause of death.

STURDY Brigitte Nielsen slapped pop star Madonna across the face for being "rude" – then **SHAGGED** her husband for revenge!

Brigitte slammed the Queen of Pop earlier this week for keeping Las Vegas concertgoers waiting two hours to see her Madame X Tour – then revealed how she once put Madge in her place.

Brigitte, 56, said: "In 1987, I was at a club with her and she kept stepping on my feet.

She was very rude and I ended up giving her a slap across the face.

"I remember six big guys picked me up and I was out of the club.

"A couple of months later in the south of France I got back at her for being rude – having a one-night stand with her hubby Sean Penn."

In 1987, Nielsen was still married to Sylvester Stallone and Madonna didn't divorce Penn until 1989.

## Pervt jailed for graveside w\*nk at teen

A PERV was sentenced to 45 days in prison for wanking in front of a grieving teenager at her granny's grave.

Prosecutor Elizabeth Wilson called what Patrick Falkins did "a very brazen act".

The 19-year-old victim heard a noise while visiting her grandmother's grave in the Avondale Cemetery in Canada's Ontario province and looked to see what caused it.

Ms Wilson said: "She saw Patrick Falkins sitting on a bench staring at her."

She returned her attention to her gran's memorial, but then noticed Falkins stood next to her with his genitals in his hand, furiously masturbating.

Ms Wilson said: "He told her, 'Like you don't have a problem with this?'"

Falkins was convicted of sexual assault in 2014 and also on two charges of committing an indecent act in public in 2016.

# He killed them had SEX with the CORPSES

**TAKE a trip down the Tamiami Trail – a 200-mile stretch of highway between Tampa and Miami, Florida – and the sense of danger is palpable.**

The road cuts a line through the Everglade Swamps where deadly alligators and pythons line the edges of the tarmac, waiting to drag unsuspecting passers-by into the murky waters.

But between September 1994 and January 1995, there was another good reason not to linger on the road... because Rory Conde used it as a hunting ground for his victims.

Each one had been choked to death. On the third body – that of Charity Nava, 21 – he'd even triumphantly

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

scrawled 'Third!' on her back in black marker, adding 'See if you can catch me!' as a crude taunt to the police, who were looking for a particularly twisted kind of serial killer.

And in a final act of inhumanity, court papers reveal Conde then had anal sex with their corpses.

It's a miracle Conde's final death toll doesn't stand at seven rather than six. He was only snared when another woman – who had been stripped, bound and gagged in his apartment – made enough noise by banging on the walls that it alerted neighbours, who called the police.

In the end, when confronted with his ghastly crimes, Conde admitted his guilt and was sentenced to death at the Miami-Dade County Supreme Court on March 7, 2000. His ex-wife Carla and their two children, Rory Jr and Lydia, now face an agonising wait to see when he will eventually be executed.

### Addict

For the time being, the 51-year-old sits on Death Row at the Florida State Prison.

Miami-Dade Police Captain Nelson Andreu – the man who put evil Conde behind bars – says the prostitute addict blamed escorts for the breakdown of his marriage to Carla, who he wed in 1987.

Capt Andreu suspects Conde genuinely believes he did the world a favour by ridding it of these tragic sex workers.

He says: "Conde's wife of many years lived in constant fear of beatings and abuse at his hands."

"The couple had several children and Conde had trouble visiting them as he tried

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

to reconcile with his estranged wife.

"In his confession, he blamed the prostitutes for his failed marriage and for losing his children.

"Conde was not a typical serial killer in that he did not apparently achieve any sexual gratification in torturing or beating his victims.

"Yet he did achieve a peculiar satisfaction in his perception that he was ridding the world of the type of woman who had caused his family life to disintegrate."

Born in Barranquilla, Colombia, Conde moved to Miami when he was 12 years old.

But following a horrendous upbringing, he was emotionally damaged.

His mother had died when he was just a tot, having contracted tetanus following an abortion procedure.

He was adopted by his grandmother, Maria Kojas, before eventually landing at the door of his

abusive father, Gustavo Conde.

Things got worse. Conde was sexually abused by his uncles, Carlos and Alfredo – acts that tormented him to the point of suicide.

Somehow, despite the horrors he'd lived through, he settled down with Carla and landed a respectable job as a building trade supplies salesman.

Yet trouble was lurking just around the corner.

In 1992, Conde landed in jail after assaulting Carla – they'd rowed when he'd had the temerity to bring two hookers to the house they shared.

By this point Conde was brazen in his use of prostitutes to appease his over-active sexual appetite – Carla had long since ceased to have sex with him.

The final straw for Carla came in 1994. She discovered a video containing footage shot in Conde's bedroom of another woman touching

herself sexually while dressed in Carla's pyjamas.

She moved out and filed for divorce, taking their children with her.

Conde was apoplectic with rage. He sought solace in paid-for sex.

A month after Carla left him, he picked up a woman on the Tamiami Trail before paying her for oral sex in his car.

It was only after the sexual encounter that he realised this lady was actually 27-year-old male transvestite Lazaro Comesana.

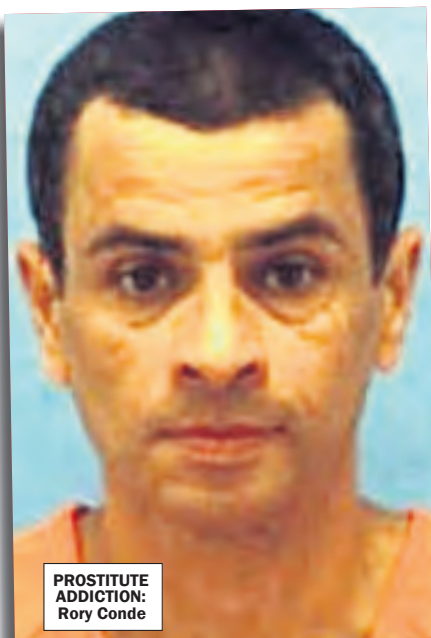

### Dumped

Fuming at being duped, Conde throttled the life out of Lazaro with his bare hands.

He then re-dressed the body, placed it in his car and drove to a middle-class district.

There, he dumped the corpse in an area where it would be quickly discovered the following morning.

Court documents reveal: "Conde killed him out of his anger

**VILE SIGNS:** Conde taunted the police by scrawling on Charity Nava's dead body

**FOR womaniser Rory Conde, it was the ultimate humiliation. After having sex with a prostitute, he discovered he had actually just slept with a cross-dressing man. about Lazaro Comesana's deception and his belief that his wife and children had left him because of his use of prostitutes.

"He described kneeling over Comesana's body for 10 minutes while he blamed him for the loss of his wife and children. "He then made the sign of the cross over the body."

This heinous act opened the floodgates on Conde's craving for blood.

In October 1994, Elisa Martinez, 24, became his second victim.

She was strangled before being tossed out of a car onto the roadside on the Tamiami Trail, where she was found by horrified passers-by.

A third murder followed in November in the form of Charity Nava, a 26-year-old sex worker.

Cops now had no doubt they were dealing with a spree killer.

On Charity's buttocks Conde had scrawled

"See if you can catch me" and on her back was written "I will call Dwight, Chan 10" - a reference to a popular news anchor and TV station.

Conde was getting cocky, convinced cops had no evidence to even suspect he was the killer.

He'd even boasted to co-workers about the so-called "Tamiami Trail Strangler", saying "He's a smart guy, they won't get him".

Capt Andreu adds: "Conde had sex with all of his victims and would strangle them during the act."

"The women were not beaten or brutalised, they were all strangled with little other trauma."

"After killing his victims, he would often talk to the corpses, as though by such taking of extreme control he had made them 'his'."

"He would always re-dress the women after killing them and discard their bodies in

locations where they would be easily discovered.

"When we found the second victim, we suspected a serial killer but were not 100 per cent sure."

"But with the third victim, Conde wanted the police to know and inform the media that he was responsible for all three killings."

## Sickly

Two more deaths followed in quick succession. Wanda Crawford, 31, and Necole Schneider, 29, both succumbed to Conde's fingers slowly squeezing the life out of them.

Meanwhile, estranged wife Carla - who still allowed Conde to visit their kids - describes how he suddenly appeared to be 'sickly and depressed', as if the weight of the world were on his shoulders.

On January 12, 1995, Conde claimed his final

victim, 21-year-old Rhonda Dunn. She did not go to her grave without a fight.

Circuit Judge Jerald Bagley told the court: "Undoubtedly, the sudden realisation and fear that she was fighting for her life against the man who had committed the murders of five prostitutes made her death heinous and atrocious."

"She had suffered 30 injuries, indicative of the victim putting up a violent fight with the defendant."

"The body was disposed kerbside as if it were trash."

Only the bravery of Gloria Maestre ended Conde's unrestrained violence.

She was abducted, taken to Conde's flat and repeatedly raped while bound and gagged head to toe in duct tape in June 1995.

But when Conde left the flat - to attend a court appearance for shoplifting - Gloria

hammered on the walls, alerting neighbours to her plight.

She identified Conde as the man responsible for raping her, while his DNA was later linked to all six victims.

Defence lawyer Jeffrey Fink tried to portray Conde as a good man who'd snapped.

He pleaded: "Rory's life fell apart when he went to a prostitute who turned out to be a man."

"In a very real sense, he was put on a track when he was abused as a child that was impossible for him to turn away from any more."

But jurors didn't buy it and Conde was sentenced to death for the murder of Rhonda Dunn and to life in prison for the other murders, having struck a plea bargain.

Capt Andreu summed up: "Certain serial killers take additional and special delight in flaunting their atrocities. Conde is such a person."

# LESBO DANCE TEACHER GETS 26 YEARS FOR SEX WITH A TEEN

SEX ACTS: Debenedetta

**A DANCE teacher who molested a 15-year-old girl student and licked out the teen has been jailed for 26 years.**

Lauren Debenedetta, 41, was given the lengthy sentence after a jury found her guilty of "lewd or lascivious molestation" and other sex acts.

Debenedetta will also have to serve five years of sex offender probation after being released from prison and must register as a sex offender.

The victim said Debenedetta would call her into her office during classes at the now-closed danceschool.

## Trysts

She would then "kiss her on the mouth and touch her breasts and vagina" after taking the girl's clothes off, police said.

A parent of another student at the Haven Dance school in North Port, Florida, said she was shocked to receive an email in January that the school would

be closing immediately. "I never would have thought in a million years that's why they would close Haven Dance down," Michelle Lippert said.

"My daughter loves her. I would have never looked at her and thought she was capable of something like that."

Debenedetta also met up with the girl for trysts at her home.

The teen's father interrupted one meeting and found Debenedetta, as well as a phone she and the girl used to swap messages.

# SLAIN BY THE LORDS OF CHAOS

## No sex, so man kills mum's dog

A MAN has been accused of killing his mum's dog after throwing it 18 feet across a home during an argument about sex.

Police said James Garcia, 39, had asked his mum for permission to bring a woman home so he could bonk her in his bedroom.

Court records say an argument began when his mother denied the request.

Garcia then allegedly picked up her small dog, Roxy, and threw her 18 feet before landing on a hard floor in the kitchen.

Garcia (above) then left, leaving his mother with the dying dog.

A neighbour took Roxy to the vet, but the dog was pronounced dead at the hospital.

Roxy had a burst heart, which led to her bleeding to death.

Police arrived at the property in San Antonio, Texas – and so did Garcia, who told them he had gone back to pick up some of his things and he “didn’t like hurting the dog”.

Garcia was arrested and is due in court.

## ‘Troubled’ girl, 14, charged with cat rescue man killing

A TEENAGE girl has been arrested and charged with the murder of a 59-year-old animal rescuer.

Albert Chernoff was discovered last week naked and tied to a bed with a massive head wound and several slash injuries to his chest.

Police released CCTV footage from inside the man’s home in Philadelphia showing the suspect casually walking through the living room and washing her hands in the kitchen.

The 14-year-old, accompanied by her mother and two lawyers, later turned herself in.

One lawyer, Howard Taylor, said his client was a “troubled girl” in “a very sad situation”.

Mr Chernoff was known as “Alley cat” – a well known cat rescuer who lived with several cats of his own.

# Stripper bust girl's lip in bar brawl

**SCARRED  
VICTIM:**  
Aitchison  
is former  
Miss Nude  
Sydney

**A STRIPPER turned rapper and her tattoo artist boyfriend have been found guilty over an attack that left a legal secretary with a busted lip that needed 16 stitches.**

Jessica Aitchison – who performs as 'Jackel' or 'Jackel Daniels' – and Reece Mobbs claimed they were not involved in the incident which left Lauren Cameron permanently scarred.

Aitchison was charged with reckless wounding after Ms Cameron was hit in the face with a plastic cup.

The rapper – who had pleaded not guilty – and her boyfriend attempted to convince the court that someone else was to blame for Ms Cameron's injuries.

### Slut

But magistrate Joan Baptie said the couple presented 'implausible, improbable and unreliable' evidence and found Aitchison guilty of reckless wounding.

Ms Cameron needed 11 external and five internal stitches after being struck by the plastic cup.

She said Aitchison and Mobbs had been in

the smoking room of the Burdekin Hotel in Darlinghurst, an inner-city suburb of Sydney, for about five minutes when she felt a nudge or tap on her shoulder.

"I got called a slut and got spat on," she told the court.

"It all happened super quickly."

Mobbs pleaded guilty to common assault over the incident.

Aitchison, a New Zealand-born centrefold model who was crowned Miss Nude Sydney in 2012, and Mobbs will be sentenced by the court in December.

## Apes smarter than cavemen

EARLY humans were dumber than MONKEYS, a new study shows.

Despite having a similar sized brain to gorillas, chimps and orangutans, scientists believe that *Australopithecus* – an ancestor of modern man – had a lower rate of blood flow to their brain.

The research, published in *Royal Society B: Biological Sciences*, says in modern apes, the skulls' window-like openings for arteries allow as much as double the rate of blood flow to the brain.

This shows intelligence in modern *Homo* species developed much faster, likely in step with rising social complexity.

## 'Window w\*nk' pilot's payout

A PILOT arrested and falsely accused of having a wank while standing naked in a hotel window has been awarded £250k.

Andrew Collins was arrested in September last year after being accused of the naked incident at his 10th-floor hotel window near the Denver International Airport terminal.

He pleaded not guilty to indecent exposure and a judge dismissed the charge in March.

Mr Collins, from Leesburg, Virginia, won the compo from the Colorado City of Denver, after having a six-month suspension from United Airlines.

## Peeping Tom climbed ladder to film woman

A PEEPING Tom faces an astonishing FIFTY-FIVE charges after allegedly filming a woman outside her window.

Randall Cherney, 55, was arrested and admitted placing a ladder outside the woman's window and using a video camera to film her.

Detective Blake Porter, of the Portage County Sheriff's Office in Wisconsin, said a phone and a laptop were found at Cherney's home during a search. Both devices were analysed.

"We were able to locate seven additional victims from several dates going back to several years ago," Detective Porter added.

He said Cherney (above) also admitted to filming other victims, revealing he did it for "satisfaction" and was motivated by "the thrill of doing it".

Each of the 55 charges come with a maximum prison sentence of three years and six months behind bars and a maximum fine of £8,000.

## Wrinklies are tapping into young blood

OLD people are stocking up on young people's BLOOD through a controversial agency.

Jesse Karmazin, founder of Ambrosia, said they had resumed giving customers £6,000 transfusions of plasma from young donors about a month ago.

"Our patients really want the treatment," he said.

"Patients are receiving plasma transfusions from donors aged 16 to 25."

Plasma contains proteins that helps blood clot, and transfusions are often performed on patients to manage excessive bleeding.

Karmazin said people of all ages, from their thirties to nineties, have received transfusions.

He said: "I'm comfortable with going ahead and offering this treatment commercially to patients."

## Laverne looks trans-tastic!

HOLLYWOOD's hottest transwoman, Laverne Cox, stepped out in a very skimpy outfit that showed off her well-constructed breasts yesterday.

The 47-year-old, who stripped off in the Netflix drama *Orange Is the New Black*, wore a see-through frock to the premiere of the new *Charlie's Angels* film in LA.

A Hollywood source said: "Laverne looked amazing. She's got great boobs and I, for one, would."

**POLICE shot a couple dressed as the Joker and Harley Quinn as they romped in a nightclub while brandishing a toy gun.**

Dale Ewins was licking out Zita Sukys when he was reportedly shot in the back with hollow-point bullets.

Mr Ewins, then 35, suffered a perforated bowel and a fractured left shoulder, while Ms Sukys needed leg surgery after the gunfire at a 'Saints and Sinners' sex party.

It's been reported cops stormed the popular club following what they later said were reports of an armed man in an upstairs room.

Mr Ewins had a fake gun as part of his Joker outfit, while Ms Sukys was dressed as *Suicide Squad* character Harley Quinn.

### Force

He was shot twice in the back and tasered, while Ms Sukys was shot twice in the leg during the shocking police shooting at Inflation nightspot in Melbourne, Australia, in July 2017.

Members of Victoria Police's Critical Incident Response Team have

By **GRACE HOOPER**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

been accused of using "entirely excessive" force.

According to court documents, the couple were engaged in oral sex in the back corner of the club's first floor.

However, the police have now defended their response that night, claiming Mr Ewins pointed the imitation gun at officers.

The case came before the Supreme Court when the couple applied for police to disclose several documents, including information about the hollow-point bullets fired by officers. The case continues.

# THE WORLD FAMOUS AGONY

Dear Kelly,

MY wife is an escort and does most of her business from our house. She was a prostitute when we first met and I've no problem with it – she earns a good screw out of it and it keeps our heads above water financially and pays for a couple of good holidays each year.

More to the point, it's never really affected our relationship and sex life, which is good.

I usually go out when she "entertains", but one night last week I stayed in when she arrived home with two blokes.

They went upstairs and I heard her screaming "f\*\*k me hard". I had a look at what was going on and saw that she had a cock in her gob and another in her fanny.

They were squeezing her tits and left her covered in spunk. Watching them with my wife turned me on.

Do you think I'm a perv?

DS, south London

Kelly says...

NO, you've just got an unusual marriage.

Dear Kelly,

MY wife started going to a gym a few months ago because – to be honest – she had turned into a bit of a porker.

Our lifestyle hadn't helped, we'd got into the habit of sitting in front of the telly watching box sets by the ton and stuffing our faces with pizzas and beers just about every night of the week.

Anyway, with plenty of determination it seemed to work. After a few months I could see the weight dropping off her.

The good thing was it did wonders for our sex life – we actually started doing it again as she got fitter.

Our nookie sessions got more and more intense until I was struggling to keep up. Then the other night she emerged from the shower starkers with her chuff shaven.

She said one of the girls down the gym had said it was cleaner. But I had a right rant because I preferred her hairy minge.

Am I being unreasonable?

MH, Somerset

Kelly says...

YES. Be grateful you're getting sex again.

## Lesbo pals enjoy my cock when they fancy a change

Dear Kelly,

I'M a 36-year-old bloke and I split from my wife last year and moved to a new area.

The neighbours have a 19-year-old daughter who knocks about with a busty pal the same age.

I was having a bath the other evening when the doorbell rang. It was the teens and they asked me to get them a drink.

I got a stiffy straight away through my towel, which one of them whipped off before getting down on her knees and wrapping her lips around my cock.

She sucked me off while the other one pulled her G-string off and licked her mate's clit.

Then they swapped over and the other one got my knob in her

gob and her sexy pal's tongue up her fanny.

They told me to lie back on the carpet while one of them straddled me and eased her pussy down on my rock-hard length.

She started to go like the clappers and the other girl knelt over my face so I could get my tongue up her slit.

It was an amazing shag, having both these teen stunnas at the same time.

But they have since told me they are lesbians and only have cock when they fancy a change.

Should I believe them?

HW, Dorset

Kelly says...

JUST do what you're asked to do.

**AGONY IS BROUGHT TO YOU IN ASSOCIATION**

# Dance babe turns on my hubby... and me!

Dear Kelly,

**RECENTLY my hubby came home from a night out with the lads so horny that before I could even blurt out "sober up" I was on the carpet with my knees either side of my ears.**

It was the best shag I'd had for ages, but it wasn't enough for him. On the way upstairs he took me from behind on the landing, and once in bed he rammed his rock-hard cock home again from the front.

As we lay there sweating, he told me all about the raunchy girls he'd seen at a lap-dancing club.

Even at the thought of it, I could feel his cock starting to harden again.

I couldn't believe the effect it had had on him but still I was grateful, if a little sore, that he'd been there.

To give my fanny some relief, I took his prick in my mouth and proceeded to gobble.

Then I climbed on top of him and, in a grinding movement with

my hips, rapidly brought him off again.

A day or two later my curiosity got the better of me and I went with a mate to the club to see for myself what it was all about. And I wasn't disappointed.

The girls were sensational and the effect they had on the blokes there was electrifying.

We were having a drink at the bar when one of the girls came over during her break and said she knew me.

## Raunchy

Then I realised it was a friend I'd last seen 10 years before at university when we used to party together.

We had a great chat and I explained why I was there.

We laughed and joked and as we were leaving she offered to come round to my place and show me a few routines to get my husband fired up again.

When she called we had a few drinks

and another chat and, behind closed curtains, stripped off to some raunchy music.

When we were both naked and close up, she kissed me full on the lips and I responded.

Her hands were down to my fanny in a flash and she fingered me to orgasm.

I returned the favour and after another kiss and a cuddle we licked each other out.

Later, I told my hubby, thinking it would turn him on, but instead he went mad at me, calling me a lesbian.

We are still shagging, but I'm seeing my girlfriend too.

What do you think I should do?

MG, Derbyshire

Kelly says...

CARRY on. It sounds great to me.

Dear Kelly,

## Kinky outfits have spiced up sex life

Dear Kelly,

WHILE tidying up one day, I dug into the depths of my husband's wardrobe and found a stash of porn.

It was full of photos of men and women doing all kinds of things to each other and wearing outrageous outfits.

As I looked at the mags, I began to get aroused. In fact, it wasn't long before my hand slipped down my panties and I began to bring myself off.

When my husband got home I told him that I'd found his dirty little secret but that I didn't mind at all – in fact, he should have told me about it long before.

We had a long chat and agreed we shared a liking for kinky kit and that introducing it to our sex lives could really spice things up in the bedroom.

## Thrust

So we decided we would experiment with a few outfits. We went to a sex shop and I was delighted with our purchases and could hardly wait to get home.

We burst through the door, shedding our clothes as we went. He put on a leather pouch and mask and I donned a basque. He tied my hands with a silk scarf and pushed me down on the bed.

He thrust into me doggy-style as I pulled aside his pouch, gripping his balls as he lashed into me.

We came together and I couldn't believe what my discovery in the wardrobe had led to.

Now I wonder if we can keep it up.

HK, south Yorkshire

Kelly says...

SOUNDS like your hubby won't have any trouble there.

# 'I keep the blindfold on as he enters me from behind'

**MIDWEEK**  
**Sport**  
**ALWAYS HOME**  
**OF TOPLESS**  
**BABES**

**I HAVE an out-there sex fantasy – I long to be blindfolded and shagged by a total stranger!**

I imagine I'm seeing a bloke and we talk about how hot it would be if he arranged for a random guy – whose face I never get to see – bang me.

So I give him permission to find me a fella off the internet who is also game.

My man would strip me naked, cover my eyes, and we begin to fool around. Then when I'm really aroused and gagging for it, he lets the stranger into the bedroom.

I'm laid back on the bed, and there's no chit chat – this anonymous guy starts caressing me, stroking my stomach and both thighs.

The two pairs of hands and tongues explore every inch of my body and I'm getting really wet.

## Climax

Then I'm flipped over on to all fours and the stranger – I know it's him as his hands feel a little rougher – enters me from behind.

My man thrusts his cock in my mouth and I feel like such a filthy slut.

They swap over and I eagerly suck the stranger's cock while my fella bangs me doggy style.

I climax just as the stranger orgasms in my mouth and I feel his jizz trickle down my throat as waves of pleasure rip through me.

I keep the blindfold on and the random guy disappears off into the night, never to be seen again.

I get such a secret thrill knowing as I walk around town that I could have been shagged any one of the passing men...

## MICHELLE CLACK

**MOUTHWATERING**  
Michelle Clack shot to fame after quitting her job as a care home assistant to take up topless modelling.

And the loss to old people was the breast connoisseur's gain as Michelle went on to conquer all men with an eye for beauty.

She was famously Katie Price's mate and bridesmaid when Katie wed pop star Peter Andre in 2003.

But the pals fell out for good when Katie accused her of

By **SIMON DEAN**

[simon@sundaysport.co.uk](mailto:simon@sundaysport.co.uk)

having an affair with Andre – which both parties denied.

In her heyday the 36DD Kent cutie was also featured in an ad for a men's cologne and was a pit babe for the Formula One Jordan team.

Now 41 and retired from the glamour scene, Michelle is happily married to champion windsurfer Nik Baker.

*Sunday Sport* picture editor Mark Tate said: "Michelle had it all and is definitely up there with readers' all-time favourite babes."

## GINA

BARISTA Harry Taunton says his coffee isn't the only thing that froths when he catches a glimpse of Czech babe Gina.

The 37-year-old coffee expert, from Llandudno, Wales, says 30-year-old Gina gets him going.

Harry said: "I love my job and I spend my days making milky, frothy coffees, but at night I love looking at photos of Gina's 32C norks."

"Whenever I ogle her bare boobs, my coffee isn't the only thing that gets milky and frothy – another photo of her, please?"

## NAOMI RAINE

COMMUNITY support worker Aasim Khan absolutely loves his favourite glamour girl Naomi Raine.

The 29-year-old, from Accrington, Lancashire, wrote in to ask for a saucy snap of 24-year-old Naomi from Greenwich, west London.

Aasim said: "I have an elderly man I regularly visit at work and he always buys the *Sport*, so whenever I go round I have a flick through."

"Naomi's 32D knockers always get me going and she's not only my favourite stunna but also my client's – make both our days, will you?"

## DESTINY DUNES

WINDOW cleaner Martin Sykes begged us for a photo of mega-boobed glamour babe Destiny Dunes.

The 57-year-old, from Hartlepool, says he's seen some sights over the years but he's never seen anyone like 32D Derby stunna Destiny, 26.

He said: "She's a beauty is Destiny, every time I see a photo of her I go weak at the knees."

"In my years as a window cleaner I've seen plenty of naked women through the windows – but if I saw Destiny in the nude I'd probably fall off my ladder!"

**Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk)**

## LIONS ARE MONTE ZOOMERS

ENGLAND play their 1000th international against Montenegro in a Euro 2020 qualifier at Wembley tomorrow night knowing a draw will confirm their place in next summer's finals.

Six nations have already qualified for a tournament that will be played across 12 cities with Wembley due to stage no fewer than seven games – 3 x Group ties, 1 x last 16, 2 x semi-finals and the final on 12th July.

England will do without Raheem Sterling at Wembley following the “disturbance” with Joe Gomez at St George's Park on Monday in the aftermath of Liverpool's 3-1 win over City at Anfield on Sunday.

Gareth Southgate has selected a squad of 27 for the qualifiers with Montenegro and Kosovo and England are likely to be challenged more in Pristina at the weekend given Kosovo scored three times at St Mary's in the reverse fixture back in September.

England are 1/18 to beat Montenegro and they did win the reverse fixture in Podgorica 5-1 back in March despite the fact that the hosts took an early lead. The visitors have not scored in their last three qualifiers and England to win to nil is 1/2 with BetVictor. A 4-0 win for the Three Lions is 13/2 and a 5-0 success at 19/2 with BetVictor – they are the recommendations.

Liverpool go into the international break 1/3 to win the Premier League and, while lady luck continues to shine on the Reds, they look worthy champions given the extraordinary level of skill and intensity they have maintained for the best part of two seasons.

### Dreadful

City are 1/20 for a top two finish and it is premature to write them off although I wonder, if they are still some way adrift of Liverpool when the Champions League resumes next year, whether they will prioritise an elusive first success in Europe's major competition.

West Ham's latest capitulation at Turf Moor at the weekend has seen Manuel Pellegrini cut to 8/1 at BetVictor to be the next PL manager to lose/leave his post. The Irons – without a win in seven – entertain Spurs in the early kick-off when the Premier League returns in 10 days' time before a visit to Stamford Bridge.

Southampton were dreadful against Everton at St Mary's on Saturday and the Saints look too big at 11/8 with BetVictor to be relegated given they allowed a very ordinary Blues side 24 attempts at the weekend.

Marco Silva has dropped England international centre back Michael Keane in recent weeks in favour of Mason Holgate who I feel will become a future captain of the club if he maintains his recent development.

We will know more about the short-term future of Everton – 11/10 to finish the campaign in the top half with BetVictor – and Silva by the end of the Festive period given the Blues meet Leicester, Liverpool, Chelsea, Manchester United, Arsenal and Manchester City in the Premier League in a period from the 1st December to the 1st January inclusive.

**LOOK OUT FOR  
THE SACK:**  
Unai Emery has  
the backing of  
Arsenal's board

## Emery board backing blow

### IT'S THE DREADED VOTE OF CONFIDENCE FOR UNAI

**UNDER-FIRE** Arsenal boss has received the one thing managers fear – a vote of confidence from the board.

Football tradition dictates that you don't know a boss is in trouble until the club owners start saying he's the right man for the job.

That's what Arsenal head of football Raul Sanllehi and MD Vinai Venkatesham have said about the Spaniard.

They added: “We are as disappointed as everyone else with both our results and performances at this stage of the season.”

“We share the frustration with our fans, Unai, players

By PAUL THOMAS

and all our staff as they are not at the level we want or expect.

“Things need to improve to meet our objectives for the season, and we firmly believe Unai is the right man for the job, together with the backroom team we have in place.”

Arsenal head into the international break eight points off the top four after Leicester brushed them aside 2-0. They have won just two of their past 10 Premier League matches and have looked all over the place at the back.

Sanllehi and Venkatesham added: “We are all working

intensively behind the scenes to turn things around and are confident we will.

“We never take our fantastic support for granted. We hope we can all stick together and get behind the team in this challenging period, as together we are stronger.”

### Window

The general mood of disharmony at the Emirates has not been helped by Granit Xhaka.

The Swiss midfielder has lost the captain's armband after his outburst against Gunners fans when he was subbed a couple of games ago.

He didn't figure against the Foxes and is widely expected

to leave when the transfer window opens after Crimbo.

But he's adamant that he hasn't pulled on an Arsenal shirt for the final time.

He said: “I've been 100 per cent behind the club and my role as a player since I came here.”

“I'm proud to be playing for this big club.”

“I'll continue to stay positive, give my all to an even greater extent and prove that I'm an important part of this great team.”

“Last week in particular was a very special emotional experience for me but I'm doing very well again, I've trained well this week and am looking forward to my next assignments.”

# KOP BOSS ON TOP OF WORLD

## JURGEN Klopp says Liverpool should be proud to represent Europe in the World Club Cup.

Many fans and pundits think the FIFA competition is a giant waste of time that could blow a hole in the Reds' title aspirations.

They have to fly out to Qatar next month for the tournament that pitches them against either Flamengo or River Plate from South America along with four minnows including Esperance De Tunis.

It's already causing a fixture pile-up for the Kopites who will play two games within 24 hours of each other.

While the "first team" are in Qatar, a young Reds side will take on Aston Villa in the Carabao Cup quarter-final.

Despite that, Klopp is positive about taking part in the tournament — one of the few pieces of silverware missing from the Anfield trophy cabinet.

They were beaten by Brazilian side Sao Paulo in 2005 and a couple of times by South American sides in the 80s when the matches were held in Japan.

He said: "I'm not someone who has to be the first on the moon or the first winning the World Cup with Liverpool, but when we are

By JOHN ANTHONY

there then we will try with all we have.

"I don't feel any pressure. I see it as an absolute opportunity as you don't often have the chance to play for it.

"You have to win the Champions League to qualify as the European team, so that already makes it special."

There will also be a round of Premier League games while Liverpool are away — something that Klopp is also relaxed about.

He added: "When we go there, we will be prepared and looking forward to it.

"The boys want to play it, so it will be very interesting, and it will feel big for us, 100 per cent."

Liverpool took a step towards their first title in 30 years by beating Manchester City 3-1 at the weekend.

## Happy

Jose Mourinho declared the race over after the game but Reds defender Virgil Van Dijk is being much more cautious.

He said: "It's like any other three points but it was a bit special because you are playing against the champions, your direct rival.

"We all know and we all feel there are so many games left that so many things can happen between now and May.

"We are very happy with the position we are in, but we cannot take it for granted. We just have to keep going and take it game-by-game.

"The busy period is still to come — December is unbelievably busy. Then you never know what can happen.

"We want everyone to be fit and at their best, but you can't be at your best every other day. Hopefully we will do it, but we can't think about it."

LOOKING UP: Virgil Van Dijk

CUP OF JOY: Klopp with the Champions League trophy

GOOD START: James

## Daniel so delighted at United kick off

DANIEL James admits he's shocked at how much game time he gets for Manchester United.

The £15m summer signing from Swansea has quickly become one of the Reds' most important players.

He has been one of the few real positive in what has been a disappointing start to the season.

The 22-year-old scored three times in his first four games and has continued to figure on the wing.

He said: "At the start of the season, I maybe didn't think I would play as much.

"Every game I've been learning, and the gaffer has trusted me, and I've really enjoyed it.

"Coming in was always going to be tough and it was going to be different from playing in the Championship.

"I think I've taken it in my stride, tried to calm myself down a bit and think I'm here for a reason."

United put in one of their best displays of the season in beating Brighton at the weekend.

James hopes they have now turned a corner and can climb the table towards the top four.

## Link-up

The Welsh winger added: "We're really enjoying our football at the minute.

"Maybe it's taken a few weeks to mould, but we've all got that connection together and it's important.

"Since Anthony Martial came back we've got that focal point. He's a great link-up player. He can come short or in behind.

"It's been important for me and for Marcus Rashford since he's come back into the team to get that interlink.

"Since he's come back, he's got goals and he's got assists and he's been great for us."

Now James wants to build on the positives they showed against Albion.

He said: "It was important to get three points going into the international break and move up the table.

"When we get back, we've got a tough opposition against Sheffield United.

"The boys that aren't going away on internationals can have a break now and then we've got a nice build up next week to go there and really perform."

# MICK AIN'T FEELING FRIENDLY

IRELAND boss Mick McCarthy admits he'll rest his key men in the friendly against New Zealand — because all that matters is beating Denmark.

The Boys In Green face the Danes on Monday with a place in Euro 2020 up for grabs.

Before that there's the little matter of taking on the Kiwis on Thursday night.

The likes of David McGoldrick and Darren Randolph are likely to be rested.

McCarthy has some injury issues but is hopeful of having his strongest team available for

By BRENDAN MACKIE

the showdown in Copenhagen against Christian Eriksen and Co.

He said: "David has come back, he's had two or three games back and he's been playing well for Sheffield United — and how the hell his goal was disallowed on Saturday is beyond me, by the way. That's another matter.

"I'm delighted to have him back. Darren Randolph, we'll have to look after him because

he only came back into the team on Saturday.

"It's other players, players like Robbie Brady, who's not been injured, but then had one game, and then he's had two or three minutes since, so it's kind of difficult balancing it between those who are playing and those who are not.

"But Robbie at least is back and he's been back in the squad for Burnley."

Only three points will do against the Danes thanks to some modest performances by McCarthy's men. Part of that

could be put down to injuries with McGoldrick a big miss.

The manager added: "He has been our stand-out centre-forward, so any team would miss a player like him, especially how he was playing, and he was loving it.

"The goal he scored against Switzerland, of course, I think everybody loved him for that."

McCarthy hopes the team against New Zealand will take their chance to shine. He said: "Let's hope they play well and let's see how I feel about them after the game."
